

"...while Radiohead meditate and Coldplay rewrite their testament, A.S. moves beyond. They transcend genres, reconcile them..."

-RAJE Magazine

"...you literally plunge into this delicious album of great quality." -Easyzik

"...Bravo...very good songwriting..." -Interlude

"...beautiful vocals in perfect harmony with this ballad..." -SebScylla

"...a new rock, enchanting and profound, a rock that...draws us on an inner journey... that takes us far away..." -RAJE Magazine

"...a mix of electro, drums, guitars and orchestral strings with melodies of a rare richness and power..." -RAJE Magazine

"...without a doubt the debut album that many groups would have liked to record..." -Zicazic
