## Description

Do what you want from the album "Exile" by A.S.

A.S. just released their latest music video "Do What You Want". Their second album Exile is a compilation of dark, mysterious and hypnotic tunes that take you through a memorizing journey. From beginning to end the album is filled with Nick McRobert's somber gentle voice accompanied by his bewitching piano melodies and Idriss Halfaoui's heavenly guitar playing.

## 2013 Summer Festival Season

We are definitely done now! For this year's Summer festivals at least. We hope you enjoyed some of it. And we'll keep an eye on what's happening so if anything pops up over the next months we'll let you know. Cheers.

Hellfest 2013, videos from ARTE are online, click above to watch.
